Product Description

About this item

- Wired USB plug and play: no software needed, just connect the keyboard to your PC and go
- Ambidextrous comfort and durability: enjoy rubber side grips and a contoured shape suitable for either hand. Dust resistant design enables you to track confidently
- Five customisable buttons: assign any button to fit your needs and gain quick access to the media, programs and files you use most often
- Four way scroll wheel for navigating up, down, left and right
- BlueTrack technology combines the power of optical with the precision of laser for remarkable tracking on virtually any surface ( does not work on clear glass or mirrored surfaces)

Connectivity Technology	USB
Recommended Uses For Product	Indoor/Outdoor
Brand	Microsoft

ANKER WIRELESS VERTICAL  
ERGONOMIC MOUSE

[Read More](#)

**SKU:** MOU-A7852011  
**Price:** 2,990 Vt  
**Stock:** instock  
**Categories:** [Keyboard and Mouse](#)

Product Description

Tired of using the traditional grip? Take a break from overly-clunky or uncomfortably tiny mice.

The ergonomically-designed thumb rests and grips fit the contour of your palm for maximum comfort. Turn heads with a futuristic design. Made for increased functionality and comfort, this mouse combines a handshake grip with easy-access buttons and three levels of mouse sensitivity (800 / 1200 / 1600DPI) for improved tracking. Five buttons give you improved control over your computer's systems. Whether dragging and dropping, selecting large volumes of data, or casually gaming, this mouse provides a low-cost, effective solution for multiple computing needs.

## Anker 2.4G Wireless Vertical Ergonomic Optical Mouse

800 / 1200 / 1600 DPI, 5 Buttons for Laptop, Desktop  
Black

- Scientific ergonomic design encourages healthy "handshake" wrist and arm positions for smooth and less overall strain.
- 800 / 1200 / 1600 DPI Resolution Optical Tracking provides more sensitivity than standard optical mouse and precise tracking on a wide range of surfaces.
- Added next/previous buttons provide convenient webpage browsing; the superior choice for internet gamers and people who work at length at the computer.
- Enters power saving mode (power is cut off completely after 10 minutes idle, press right or left button for it to wake up). Dimensions: 120\*62.8\*74.8 mm; product weight: 100g.
- Package includes: 1 Anker Wireless Vertical Ergonomic Mouse (2 AAA batteries not included), 1 2.4G USB Receiver (located at the bottom of the mouse), 1 instruction manual, 1 year free warranty.

## Wire-Free [Wireless]

Compact, wireless [wire-free] design means you can work anywhere with no annoying cables.

1 year SPIM warranty RTB

### Product Description

The blue Windows touch tab on the Sculpt Comfort Mouse provides quick and easy access to your favourite Windows 8 features. Quickly navigate to the Start screen and access apps faster. Press the centre of the sleek blue tab to switch between your current app and the Start screen. Or simply swipe up on the tab to cycle through all of your open apps, or down to reveal all the open apps and select the one you want. The ease and speed of the Windows touch tab means you can get things done with precision and effortless control. Plus, the Sculpt Comfort Mouse™'s intuitive, modern design and high functionality make it the perfect complement to your Windows 8 experience.

**Windows touch tab** Press the centre of the blue strip to switch between your current app and the Start screen. Swipe up on the blue strip to cycle through open modern apps, swipe down to reveal all the open apps and select the one you want. Also works in Windows 7.

**Bluetooth connectivity** With Bluetooth, you can easily pair your device with your PC or tablet and not worry about using cords or transceivers. The mouse also has BlueTrack technology, which lets you work on virtually any surface.
