### Product Description

## Details

Yealink's SIP-T31P features Smart Noise Filtering technology to greatly reduce background distractions and deliver crystal clear communication. Designed with a familiar interface, the SIP-

T31P has simple to use keys and a backlit display. Yealink SIP-T31P runs the open SIP protocol interoperable with VoIP phone systems and services, supports two VoIP accounts and includes local 5-way conferencing to maximise productivity. The improved chipset increases performance over the long haul. The T31P features built-in Power over Ethernet (PoE) and superb high definition (HD) sound quality. Easy-to-use and powerful features make it an excellent voice communications solution. The handset and full-duplex speakerphone both support HD audio and the phone supports both wired and EHS headsets. It also has an adjustable multi-angle stand. The Yealink T3 Series of IP Phones feature unified firmware across the series to simplify the deployment, maintenance, and updating of the fleet.
