Product Description

About this item

- Wired USB plug and play: no software needed, just connect the keyboard to your PC and go
- Ambidextrous comfort and durability: enjoy rubber side grips and a contoured shape suitable for either hand. Dust resistant design enables you to track confidently
- Five customisable buttons: assign any button to fit your needs and gain quick access to the media, programs and files you use most often
- Four way scroll wheel for navigating up, down, left and right
- BlueTrack technology combines the power of optical with the precision of laser for remarkable tracking on virtually any surface (does not work on clear glass or mirrored surfaces)
