### Product Description

The blue Windows touch tab on the Sculpt Comfort Mouse provides quick and easy access to your favourite Windows 8 features. Quickly navigate to the Start screen and access apps faster. Press the centre of the sleek blue tab to switch between your current app and the Start screen. Or simply swipe up on the tab to cycle through all of your open apps, or down to reveal all the open apps and select the one you want. The ease and speed of the Windows touch tab means you can get things done with precision and effortless control. Plus, the Sculpt Comfort Mouse™'s intuitive, modern design and high functionality make it the perfect complement to your Windows 8 experience. **Windows touch tab** Press the centre of the blue strip to switch between your current app and the Start screen. Swipe up on the blue strip to cycle through open modern apps, swipe down to reveal all the open apps and select the one you want. Also works in Windows 7. **Bluetooth connectivity** With Bluetooth, you can easily pair your device with your PC or tablet and not worry about using cords or transceivers. The mouse also has BlueTrack technology, which lets you work on virtually any surface.
